In the section *Find Books or Articles* on the CSM Library homepage. Click on either Proquest shortcut link or Off-Campus Database Access

Find Books or Articles

- CSM Library Catalog (OPAC)
- On-Campus Database Access
- Off-Campus Database Access
- On-Campus shortcut to ProQuest database
- On-Campus shortcut to EBSCO database

Once you are logged in to off-campus access or used the shortcut link, click on the *ProQuest Guy* at the top right of the screen and then click *Sign into My Research*.

Find the link to *Create a My Research Account*.
Fill out the form, including password and Click Create account.
